

3 Material Facts notice and other Important Information

You are legally obliged to inform us of all relevant information (Material Facts) in the application process. Material Facts are those, which an insurer would regard as likely to influence the assessment and acceptance of a proposal for insurance. If you are in doubt as to whether certain facts are material, such facts should be disclosed. If you proceed with this Plan, the resulting Plan will be based on the information provided:

- In this application form
- In any tele-interview you complete
- In any other form related to your application
- In any notice by you of changes required in advance of the policy start date
- In any questionnaire completed by you or by a medical examiner and signed by you.

The Plan may be void (there will be no cover under the Plan):

- If you do not inform us of all material facts
- If any of the information you provide is not true and complete
- If you do not inform us of any changes in your medical and/or other information before the cover starts.

You may submit answers to any medical questions directly to the Chief Medical Officer at 11–12 Dawson Street, Dublin 2. Please indicate in your letter your name and application number to which the information applies. All information will be treated in the strictest confidence.

We may not necessarily contact your doctor(s). Even if we do, you must still disclose all Material Facts. We may ask you to have a medical examination with your own doctor or an independent doctor. If this is required we will notify you in writing.

Material Facts Exemption in relation to Genetic Tests

You are not required to disclose any genetic tests you may have had and we will disregard any genetic tests which may come into our possession. You are, however, required to provide us with full details (other than genetic tests) in answer to all the medical details questions in Section 4.

5 What is a Tele-Interview?

A Tele-Interview is an interview conducted over the telephone by a nurse. The interview will gather details of your health and medical history. All Tele-Interviewers are experienced nurses, so you can rest assured that the interview will be conducted in a confidential and professional manner. A series of questions about your health, lifestyle and your immediate family medical history will be asked, and the interview takes on average 20 minutes to complete. Please note that all calls will be recorded.

Why are you being interviewed?

To offer New Ireland customers the best possible terms for their insurance, it is essential that a clear understanding of your present state of health and any conditions you may have suffered in the past is obtained. This information is used in our risk assessment, prior to considering your insurance cover. Please accept our assurances that the information you provide will be treated in the strictest confidence, and used only in the assessment of your application or in the event of a claim.

When will the Tele-Interview take place?

Our specialist provider will contact you by telephone to arrange a suitable time for your interview. When you schedule a time for your interview, you will be given an hour's time slot and you should get a call in the first 30 minutes of this hour. If you are not free to answer the questions when called, the Nurse will be happy to arrange a more suitable time for the interview to take place. If you have not been contacted within three days, or you have been away or out of touch, please phone our Corporate Pensions Department on (01) 617 2595.

The Nurses are able to undertake interviews from:

9am to 9pm Monday to Thursday.

9am to 7pm on Fridays.

10am to 2pm on Saturdays.

It is important that you are able to speak freely and have the time to spare to complete the interview. It is better not to conduct the interview over a mobile phone, but if this is your preference, we will do so. We will not complete an interview if you are driving. Unfortunately, your application for insurance cannot be processed until the interview has taken place.

What do I need to prepare?

To prepare for your interview, please take some time to gather the following information and have this to hand when you receive the call:

- Any medication you are currently taking (including the name and dosage)
- Any past or present medical condition suffered, (other than very minor ailments such as the common cold)
- Any tests or investigations, e.g. blood pressure, cholesterol tests. It would be helpful if you phone your GP or whoever did these tests, to get the results
- Details of any serious condition, such as cancer, heart attack, stroke, suffered by a member of your immediate family (your mother, father, brothers or sisters, or half brothers and sisters).

We will ask for your height and weight. If you do not know your weight, please try and weigh yourself prior to the interview. If you are not sure whether something is important, then it is best to mention it.

Why is it important I provide the right information?

The recorded interview and your application form shall form the basis of the contract with New Ireland. All the questions should be answered fully and honestly, as failure to do so could invalidate your cover and any future claims.

What happens after the interview?

You will be sent a copy of the transcript for you to check, ensuring that the information is complete and accurate. Although a little time consuming it is in your best interest to undertake this task with all due care. If you are aware of inaccurate or incomplete details or of any changes required to the report, you are required to notify New Ireland in writing within 10 working days of receipt of the report. A free post address will be provided to you. If the report is accurate and complete and no changes are required to be notified at that time, then you do not need to do anything.

Nurse Medical

If a Nurse Medical examination is required after your Tele-Interview call, Cornmarket will inform you in writing. New Ireland will arrange for a fully-trained and INMO-registered nurse to contact you to arrange an appointment at a time and place that suits you. The nurse will visit and carry out the medical in just 20 minutes. The nurse will then relay the test results to New Ireland, where they will be confidentially reviewed and your application will be processed.
