We undertake to act honestly and fairly in conducting our business with you and to do so in your best interest with the highest level of integrity.

We undertake to effectively employ the resources and procedures necessary for the proper performance of our business activities.

In order to ensure that we do this, we undertake to seek information from our clients regarding their financial situation, investment experience and objectives with regards to the services requested.

Description of Level of Service Provided

Cornmarket Group Financial Services Ltd. acts as a broker for our customers. The advice we give is based on a fair analysis of the market. This means that our recommendations are given after analysing a sufficiently large number of products and product producers that are available on the market, in accordance with the Central Bank's professional criteria. Our Dental Insurance advice is based on a limited analysis of the market. Our preferred provider is DeCare Dental. Our Travel Insurance is based on a limited analysis of the market and our preferred provider is MAPFRE ASSISTENCIA Agency Ireland.

Your Investment Objectives

The financial advice which we provide to you and any recommendations which we make regarding Group Schemes, Individual Plans and financial services will be on the basis of:

- your investment objectives
- your investment experience
- other facts about your financial position considered to be relevant to your attitude to risk
- your overall financial goals.

By conducting a thorough financial fact-find (Financial Health Check), your Cornmarket consultant can help you evaluate your objectives and any other facts about your financial situation before prioritising your financial goals.

Facts relevant to your financial circumstances, investment experience, and the affordability and suitability of any financial service or product under discussion will be carefully considered. We believe this to be an integral part of providing advice prior to recommending a Scheme/Plan which may be available to you. Cornmarket is fully committed to providing you with impartial and objective advice on your finances including advice which may result in recommendations to start a Scheme/Plan with an institution other than Cornmarket. If, in the future, you wish to amend your investment objectives, or if you feel that a change in your circumstances may affect your financial goals for whatever reason, please notify us immediately so that we can arrange a follow-up Financial Health Check.

Fees and Charges

Prior to undertaking any business dealings on your behalf, we will outline the charging structure which applies to the Scheme/Plan being recommended (see Section 1).

We will provide regular updates in writing at intervals of not greater than 20 business days.

In certain cases where Cornmarket provides advice on financial services other than our Group Schemes and Individual Plans, Cornmarket reserves the right to charge a fee for the financial advice provided. This fee will be outlined in advance of the meeting. We may also provide other financial services not listed in this booklet and, where appropriate, we will notify you of the relevant details and charges in writing.

Definition of Charges

The charges applying to each Scheme/Plan are outlined at the start of this book. For further details of the charges involved with any particular Scheme/Plan please contact Cornmarket or consult the explanatory documentation for the particular Scheme/Plan.

Consultancy Fee

A Consultancy Fee may apply on some investments, savings and pension plans. This charge is levied by Cornmarket to fund the cost of providing you with the following:

- A wide range of insurance/savings/ investment options
- A comprehensive Financial Health Check for you and your family. This is essential so that all aspects of your financial situation are reviewed prior to recommendations and decisions being made
- · An analysis of your investment experience
- · Advice on your investment objectives
- Where appropriate, an analysis of 'risk tolerance' so that you can decide which option best suits your attitude to risk and reward
- Advice on the suitability of Cornmarket Group Schemes
- Advice on the suitability of other Schemes/ Plans
- The option of an additional consultation on your Scheme/Plan
- In the event that you are a Public Sector employee, advice on those aspects of your pay and other benefits which are relevant to the financial plan you are considering
- Advice on any other facts pertinent to your financial decisions
- Advice on how best to prioritise your financial goals
- Advice on what to do with existing savings, investments and insurance plans which you may have.

No Advice Service

Members of the Superannuation Scheme who wish to set up an AVC Plan/Public Sector PRSA on a 'No Advice' basis (i.e. without advice) may do so without payment of any Consultancy Fee. However, given the complexities involved, most members prefer to avail of Cornmarket's advice and are happy to pay the fee involved. There is currently no Consultancy Fee for topping up an AVC.

Fund Management Charge/Fee

This charge is levied directly by the institution underwriting your plan and is designed to pay for the ongoing cost of fund management and related expenses.

Contribution Charge

(sometimes known as a Bid/Offer Spread)
Investors purchase units within a fund at the offer price and sell them (when an encashment is made) at the bid price. This Bid/Offer Spread is the difference in value of units within a fund depending on whether they are being bought or sold

Remuneration

Paid by the Insurance Company to Cornmarket.

Early Exit Penalty

In the case of certain lump sum investments where there is no Bid/Offer Spread, an Early Exit Penalty may apply. If you want to cash in your investment before the end of the first five years, depending on the fund, an Early Exit Penalty may be levied. This penalty is typically 5% in year one and reduces by 1% each year, to 0% after year five. The Early Exit Penalty does not normally affect your option to take a regular income from your investment.

In the case of Health Insurance, cancelling your policy after your initial 14 day cooling off notice, and prior to renewal, will result in a penalty being applied directly by your Health Insurance provider. Details of same will be included in your policy documentation.

Switching Charge

Some institutions levy a charge on your investment if you elect to move (switch) your investment between funds.

Premium Collection Charge

In the case of those plans where payment is collected through salary or direct debit, a charge may be levied to cover Cornmarket's and/or the employer's costs in arranging this service. This charge is usually expressed as a percentage of the amount collected. This charge is between 0% and 2.5% per transaction.

Instalment Payment Plan Charge

In the case of car and home insurance plans, where the payment is collected through salary or direct debit via instalments, a fee of up to 10% will be charged by Cornmarket. The Annual Percentage Rate (APR) may vary depending on the terms and conditions, however it will not exceed 18.25%.

Direct Debits

Where a direct debit is rejected by your bank, Cornmarket will seek to collect the outstanding amount directly. Cornmarket may apply a Direct Debit Rejection Penalty charge of up to €25.00 in respect of each such event.

Mid-term Adjustment Fee for Alterations to Existing Car and Home Insurance Policies

Where an additional premium is due, the Mid-term Adjustment Fee will be added to the insurance premium and the customer will be invoiced for the total amount.

Brokerage Fee

This fee allows for the administration involved in the setting up and renewal of the individual contract of Car, Home, Health or Dental Insurance between the client and the Insurance Company.

Commission

Cornmarket Group Financial Services Ltd. is remunerated by commissions paid by the product providers (insurance companies) for whom we hold written agencies with for arranging non-life, life and investment products etc.

Other Remuneration

Any quality-based remuneration is financed out of the underwriter's standard charges for various products and does not result in any increased charges to your policy.

Insurance Levy

A 1% levy on life assurance premiums was introduced in Budget 2009. Under the Finance Act 2009, life assurance premiums paid into both new and existing policies on or after 1st August 2009 will be subject to the levy. The Finance Act 2010, however, removed the levy from life assurance pension policies. The levy remains in place on life assurance protection (including Salary Protection Schemes), savings and investment policies.

Cancellation

Cancellation of Health Insurance mid-term will result in a fee being applied by the insurer.

Cancellation of Car or Home Insurance may result in a pro-rata refund of the Car or Home Insurance element of the policy (subject to terms and conditions of the relevant policy).

Certain Car and Home Insurance Scheme arrangements include additional insurance as standard e.g. Motor Breakdown Rescue (underwritten by Mapfre Assistance) and Legal Expenses (underwritten by DAS Legal Expenses).

As per the relevant terms and conditions of the policies, there are no pro-rata refunds from mid-term cancellations relating to Motor Breakdown Rescue (Mapfre Assistance), Legal Expenses (DAS Legal Expenses) or Travel Insurance (AIG Insurance).

Note on Fees and Charges

At Cornmarket, we strive to ensure that each client receives value for money. It is Company Policy that our charging structure should be reasonable and easy to understand. In addition, it is Company Policy that our charges be fully explained to you before you make a decision whether or not to start a Scheme/Plan. If you are unsure about the charging structure on your Scheme/Plan or on a Scheme/Plan which you are considering to start, simply ask your Cornmarket consultant and he/she will explain the facts fully.

Other Remuneration

From time to time, Cornmarket is in receipt of monies to provide marketing services for the relevant Insurance Companies. In these cases, the Insurance Companies do not market to the Public Sector unions directly and therefore Cornmarket bears the cost on their behalf and is reimbursed.
